

Vintage grace

Calling all girly girls (and guys). Nicky Grace – who shut her popular Crouch End vintage shop 'The Middle Room' last summer – is back. On the web, anyway – so she can spend more time with her kids. Exquisite throws, cushions and quilts are specialities and date back to the '40s. There are also great handcrafted doll's houses, jumpers and blankets. Nest-makers, nostalgics and Cath Kidston fans alike will be in raptures. *Kate Riordan Nicky Grace (020 8883 1564/www.nickygrace.co.uk).*
