

OCTOBER 2005 £3.90

THE WORLD OF INTERIORS

From top: the Provençal *mas* seen from the courtyard; the kitchen cupboards follow the forms of the 19th-century stone sinks; a carved head of a warrior, by Emily Young, looks out over the Chester Jones-designed dining table and rustic chairs strung with cord. Right: the arch connecting the dining room to the kitchen. Jones also created the worktable, which holds all the pans and utensils
